## Changes to MO's Tanks RBCA Requirements

In case you missed it –

Missouri is proposing to streamline and simplify its RBCA requirements for tank sites. A webinar explaining this proposal, and copies of the proposed changes, can be accessed at [http://www.pstif.org/rbca\\_proposed\\_changes.html](http://www.pstif.org/rbca_proposed_changes.html)

There will be a formal public comment period later this summer, but any feedback you wish to offer now is welcome! Send comments to [tim.chibnall@dnr.mo.gov](mailto:tim.chibnall@dnr.mo.gov).

***Don't overlook this important development!***
