MO PSTIF Claim Forms

You can help your clients by giving them the right claim form and advising them when to send it to us.

There are *two different forms* on our website – one for insured tank owners/operators (insurance claims), and a different form for persons who plan to clean up a property where tanks have been out of use for 20+ years, (remedial claims). See <http://www.pstif.org/claims-cleanups/>

One recent change – We no longer request a claim form prior to removing insured tanks. Instead, insured owners/operators should file a claim form *if and when a release is confirmed*. (Pre-approval of cleanup costs *prior* to tank removal is still highly recommended.)
