UC Phone Lines and Email/Website Changes

At the direction of the Board of Trustees, PSTIF Staff has begun the process of upgrading the office phone lines to utilize the State's phone system and transferring to a mo.gov domain extension for the website and email addresses. Since your last meeting, PSTIF's request to be moved onto the State's ITSD network and under full ITSD network support has been approved. Staff has been working with OA's ITSD contacts to ensure as little disruption in day-to-day operations as possible when the move is made. Any new updates will be provided at the meeting.
