

LEGISLATIVE REPORT

Enclosed is a list of bills staff is monitoring. Not all bills on this list directly impact the PSTIF Board or its participants, some are being watched as they have the potential to have indirect effects or are combined with bills that will.

The only bill that directly impacts the Board or the Fund is the Board's appropriations request. It is not expected to have any problems getting approved, but as always, staff has been attending all budget hearings and testifying when called upon.

Staff will provide an update on legislative activities at the Board meeting.

Board Action: None requested.
